Then a message appears that essentially says, "Give me \$3.5 and I'll let you have your money."

You feel that you're being blackmailed. And you are.

You pull out your wallet to see if you really have to use this ATM. You do. You're almost out of cash. So, you pay the blackmailing ATM and take your money vowing never to use that ATM again.

The ATM may charge you but the No ATM Fee Bank will reimburse you the full amount. So, you don't have to pay to get your money.
